

**U.S. Embassy Dakar, Senegal**

**March 23, 2010**

**Warden Message: Consular Section Closed**

The consular section at the U.S. Embassy in Dakar is currently closed to the public. Visa services and routine American citizen services have been temporarily suspended, and will remain so until further notice. Embassy staff will of course continue to respond to emergencies involving U.S. citizens.

U.S. citizens residing or traveling in Senegal and Guinea Bissau are encouraged to register with the Embassy through the State Department's travel registration website, <https://travelregistration.state.gov/ibrs/ui/>, to obtain updated travel and security information. U.S. citizens without Internet access may register directly with the Embassy. Registration is important because it allows the Embassy and the State Department to assist you with an emergency.

The Embassy is located at Avenue Jean XXIII, B.P. 49, Dakar, Sénégal.
